

**CLARIFICATION FROM VICE CHANCELLOR
ON BDS ADMISSION OF SINDH INSTITUTE OF ORAL HEALTH SCIENCES
IN JINNAH SINDH MEDICAL UNIVERSITY**

This message from the VC is to clarify a misunderstanding created by our University advertisement regarding admission in Dental College. The advertisement invites applications from students for admission Except Karachi creating an impression as students from Karachi will not be admitted it's not correct as applications from Karachi students are already collected as an option along with the application for MBBS and so they need not to apply again but the reserved seats for students of interior SINDH is to be filled by inviting application from them as they have not submitted any form for MBBS with our University
I am sure this clarify the misunderstanding
