

Student council started 50 Research Paper Project

50 Research Paper Project is a mega project undertaken by JSMU Student Council. The motive behind this project is to publish 50 research papers in a small duration of 60 days.

If this objective is accomplished, JSMU Student Council will reach new heights of success and progress.

This project is currently headed by Moiz Ahmed, the President JSMU Student Council who developed the concept of 100 Research Paper Project which was later downsized to 50RPP, reserving the 100RPP for the next phase.

There are currently 200 enthusiasts' young researchers participating in this mega project under leadership of JSMU Student Council.

The project is approved and appraised by Prof. Dr. Tariq Rafi, the Vice Chancellor of Jinnah Sindh Medical University.
