## Assessment policy for 1<sup>st</sup> year MBBS professional examination 2019

There will be four components of the first professional MBBS examination:

Component 1- Theory 1: consisting of 170 MCQs from Foundation and Locomotion 1 modules;

Component 2- Theory 2: consisting of 170 MCQs from CVS1, Respiratory 1, Blood and GIT 1;

Theory papers 1 & 2 will be held on two separate days with a minimum gap of one day in between.

Component 3- OSPE 1: will consist of observed and unobserved stations from Foundation and Locomotion 1 modules; The observed and unobserved OSPE will be held on two different days as explained below.

Component 4- OSPE 2: will consist of observed and unobserved stations from CVS1, Respiratory 1, Blood and GIT 1; The observed and unobserved OSPE will be held on two different days as explained below.

Unobserved OSPE will be computer based. Unobserved OSPE of components 3 & 4 will be held on the same day and in the same session. Stations in this OSPE will be divided into two separate sections, i.e. OSPE 1 and OSPE 2.

## **Jinnah Sindh Medical University (JSMU)**

### **Institute of Medical Education**

Observed OSPE of components 3 & 4 will be held in the same session and day. The stations will be arranged in sequence of OSPE 1 & 2.

There will be minimum gap of one day between unobserved and observed OSPE.

Students have to pass in each of the four components separately in order to be declared as pass in theory and OSPE.

#### Year Back policy:

Students who fail in any component of the examination in the supplementary, will have to repeat the year in the failed component/s only. These students will be considered as year-back and will not be promoted to the next academic year.
